

PURPOSE

This is a release document for eFile version 7.3.13; containing following new processes and feature as follows:

PROCESS AND FEATURE ENHANCEMENTS (IMPROVEMENTS)

S. NO.	MODULE/ SUB MODULE	FEATURE SUMMARY	DESCRIPTION
1.	eFile/File	Flagging of Ephemeral files	Option to mark closed files of Ephemeral Nature as " Ephemeral " & directly weed out
2.	eFile/File	Inclusion of actual Opening date and actual Closing date of Physical files	Option to enter original Opening Date and original Closing Date for already recorded files (i.e., the physical opening and closing dates of files) while ensuring that the system's file opening and closing dates are maintained.
3.	eFile/File	Setting of default language for Quick Noting	Provision to set default language for Quick Noting. This feature is Configurable .

RESOLVED ISSUES & BUG FIXES

S. NO.	SUBMODULE	SUMMARY	DESCRIPTION
1.			

VERSION INFO

Release Version: eFile7.3.13

Release Date: -19-01-2025

Release Type: Major

Supported Browsers: Mozilla Firefox, Google Chrome, Microsoft Edge and Safari

INTENDED AUDIENCE

This release is for all the Central government ministries and departments, State governments, District Administrations and Autonomous bodies.

RELEASE CONTACT DETAILS

eOffice Project Division

NIC-HQ, New Delhi

Email: eoffice@nic.in

In case you face any issue/bug while working on eFile, raise a ticket for the same in NIC Service Desk (<https://servicedesk.nic.in>) for its resolution.

Handling Files of Ephemeral Nature

Mark Closed Files as Ephemeral:

This feature enables you to mark closed files as **"Ephemeral"**. Such files are intended to be destroyed within one year and are not required to be formally recorded.

Steps to Follow:

1. Click **Record Management** → **Record Repository** → **Closed File** to view list of Closed File.
2. Select single or multiple files using check box and click **Mark as Ephemeral** from menu bar.

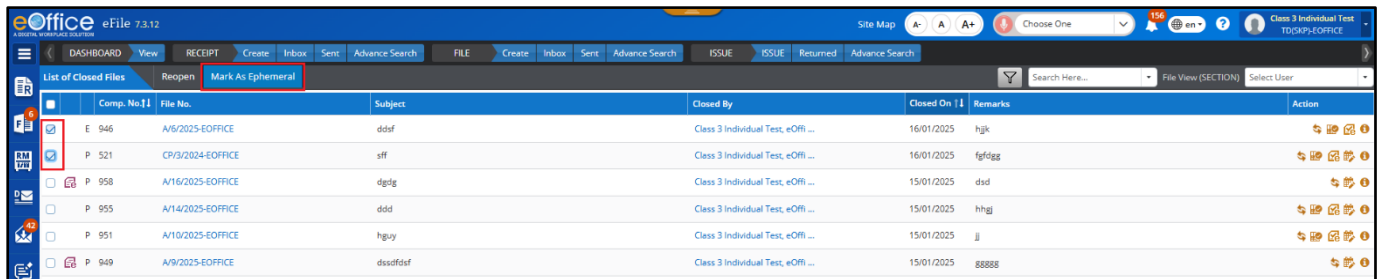

Figure 1

3. Alternatively click **Mark as Ephemeral** icon corresponding to required file as shown in Figure 2.

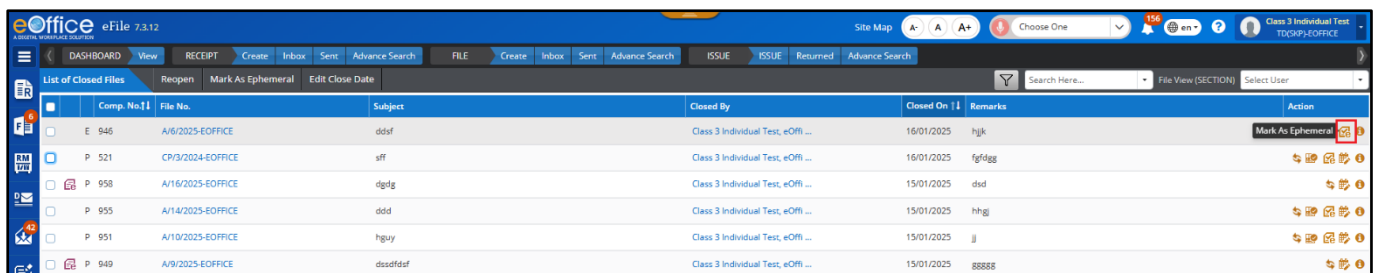

Figure 2

4. Provide Mandatory **Remark**.
5. Select the **Consent checkbox** and Click OK to mark file as ephemeral as shown in Figure 3.

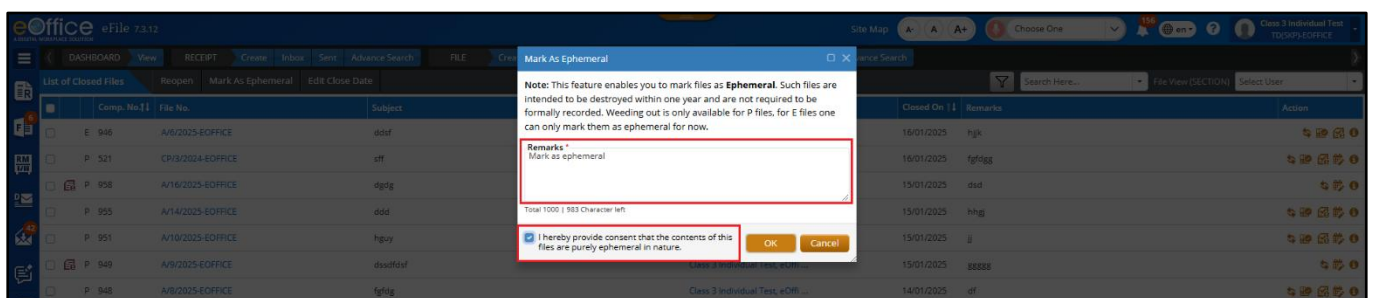

Figure 3

Note:

- File marked as Ephemeral will be displayed in **Record Repository** → **Ephemeral** → **Marked List**
- In **Closed List**, files marked as Ephemeral will be demarcated by Legend.
- **Recording** action will not be available for files marked as ephemeral.

View FilesMarked as Ephemeral:

Steps to Follow:

1. Click **Record Repository**→**Ephemeral**→**Marked**,as shown in Figure 4.

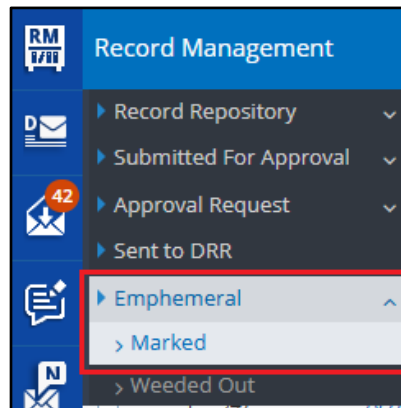

Figure 4

- This will display list of all the Files Marked as ephemeralwith information like **Computer No., File No., Subject, MarkedBy, MarkedOn**and **Remarks** as shown in Figure 5.

Figure 6

Unmark Files Marked as Ephemeral:

Steps to Follow:

1. Click **Record Repository** → **Ephemeral** → **Marked**, as shown in Figure 4.
2. Select single or multiple files using check box and click **Unmark** from menu bar.

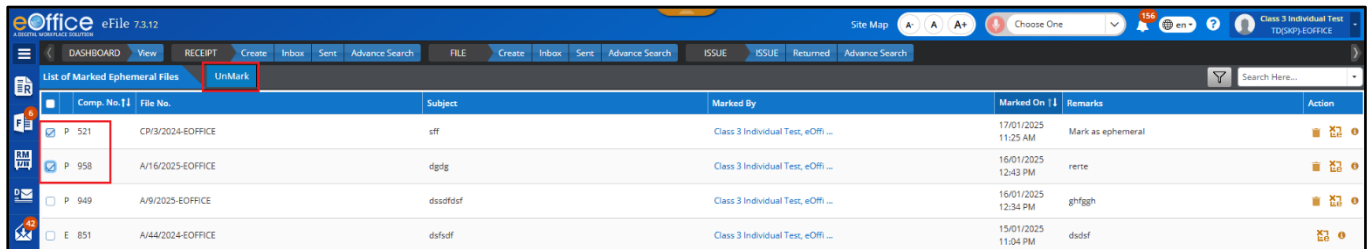

Figure 7

3. Alternatively click **Unmark icon** corresponding to required file.

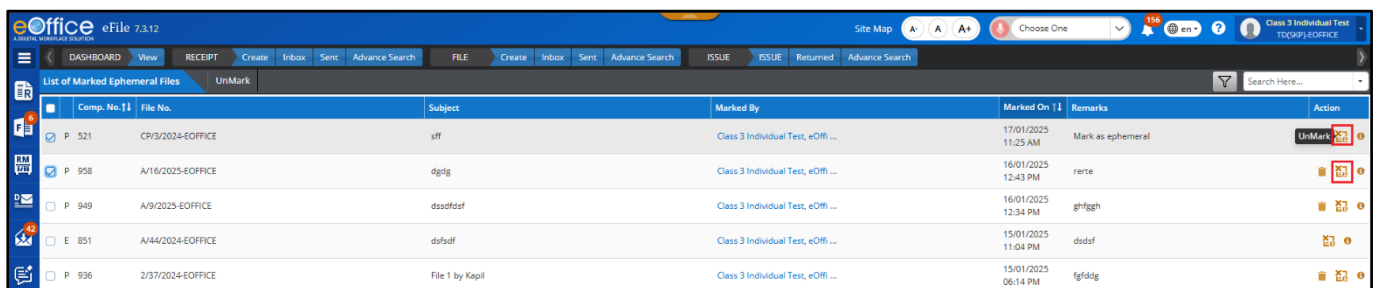

Figure 8

4. Provide Mandatory **Remark** and Click **OK** to Unmark file as Ephemeral.

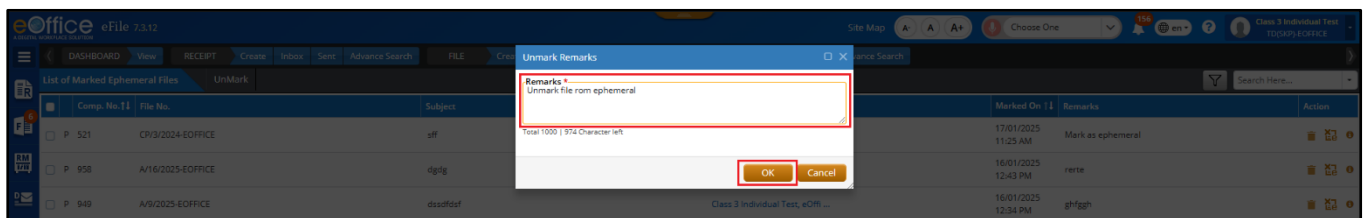

Figure 9

Note:

- Once File is Unmarked as Ephemeral its entry is removed from the List of Marked Ephemeral Files.
- Details of Marking and Unmarking of File as Ephemeral will be displayed in Ephemeral tab of History in File detail popup as shown in **Figure 10**.

Appendix-I

Provision to update File Opening Date and File Closing Date

Note:

- Provision to update **File Opening Date** and **File Closing Date** is only applicable for **Physical files**.
- User will be allowed to **update** both the date **only once**. Once updated user cannot update it at any point of time.

Update File Opening Date

In case physical file actual opening date is different from Created On date in eFile application, user can update it from various location.

- While creating a file
- Editing File cover page
- Recording a File
- Weeding Out Ephemeral File

Note:

- Physically created on date cannot be **future date**, it must be equal to or less than current date.

I. Update Opening Date while Creating a file

Steps to Follow:

- Click **Create New** under **File Module** from left Navigation or **Create** under **File Quick Access menu** bar.
- Select File **Nature** as **Physical** using Radio Button
- Fill all the Mandatory Fields.
- Select **Opening Date** (Actual file opening date).
- Click **Continue Working**.

The screenshot displays the eOffice eFile 7.3.12 application interface. The top navigation bar includes 'DASHBOARD', 'View', 'RECEIPT', 'Create', 'Inbox', 'Sent', 'Advance Search', 'FILE', 'Create', 'Inbox', 'Sent', 'Advance Search', 'ISSUE', 'Returned', 'Advance Search'. The main form is titled 'भारत सरकार' (Government of India) and 'Ministry of Home Affairs (MHA)'. It includes fields for 'File No.', 'Description', 'Main Category', 'Sub Category', 'Remarks', 'Previous References', 'Language', 'Opening Date', 'Review Date', and 'Review Remarks'. The 'Opening Date' field is highlighted with a red box. The form also has a 'Continue Working' button at the bottom.

Figure 16

II. Update Opening Date while Editing a file cover page

Steps to Follow:

1. Click open a physical file from **Inbox/Inbox Folder/Created/Parked folder**.
2. Click **Edit** from the Menu Bar.
3. Update the **Opening Date**.
4. Click **Save**.

III. Update Opening Date while Recording a File

Steps to Follow:

1. Click **Record Management** → **Record Repository** → **Closed** to view list of closed files.
2. Click **Mark for Recording** to open recording detail page.
3. Click **Edit** on File Cover page in left panel.
4. Update the **Opening Date**.
5. Click **Save**.

IV. Update Opening Date while Weeding Out Ephemeral File

Steps to Follow:

1. Click **Record Repository** → **Ephemeral** → **Marked** to view files marked as ephemeral.
2. Click **Weed Out icon** corresponding to required file.
3. Update the physical file **Creation** date.
4. Provide mandatory **Remarks**.
5. Click **Weed Out** to discard the respective file.

Update File Closing Date

In case physical file actual Closing date is different from Closed On date in eFile application, user can update it from various location.

- I. Closed File list
- II. Weeding Out Ephemeral File

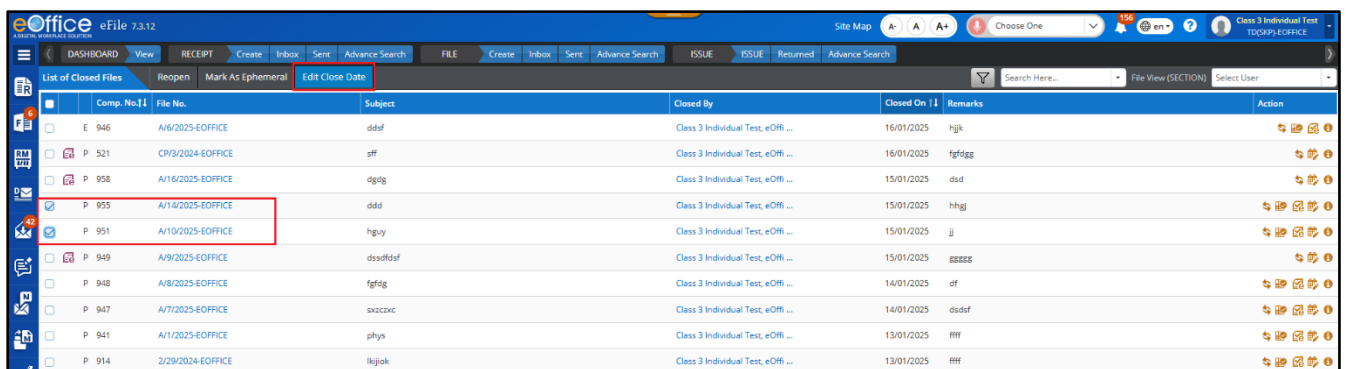

Note:

- Physically Closed On date cannot be **less** than File 'Created On' Date, File 'Opening Date' and 'Last Moved on' Date.
- Physically Closed On date cannot be **greater** than system 'Closed On' Date and Current Date.

I. Update Closing Date while Recording a File

Steps to Follow:

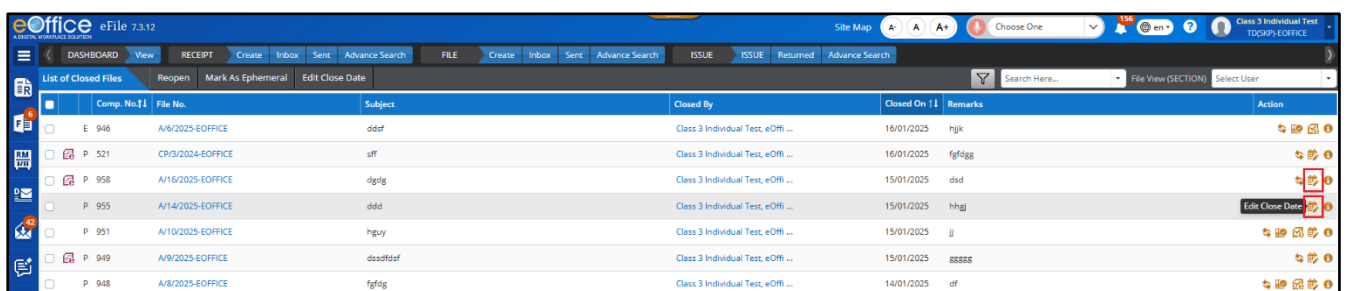

- Click **Record Management** → **Record Repository** → **Closed** to view list of closed files.
- Select single or multiple files using check box and click **Edit Close Date** from menu bar.
